

Reading & Using the Periodic Table

Name _____ Period _____

Date _____

Use the Periodic Table to complete the following table:

Atomic #	Symbol	Element Name	Atomic Mass	# of Protons	# of Neutrons	# of Electrons
			1			
				2		
		Lithium				
						4
	B					
			12			
7						
		Oxygen				
				9		
						10
				11		
			24			
13						
	Si					
15						
		Sulfur				
	Cl					

List the members of the Carbon family:

List the members of the Oxygen family:

What are the members of the Noble Gases?
